The painting is a vertical composition with a rich, textured background. On the left, a dark-skinned figure with a pale face and a red tunic plays a long, light-colored flute. In the center, a white-skinned figure with long, wavy blonde hair holds the head of a dark, possibly black, animal, which is the central focus of the lower half of the image. The background is composed of large, expressive brushstrokes in shades of yellow, green, and blue, suggesting a natural setting with trees and foliage. The overall style is expressive and somewhat abstract, with a focus on color and form.
